

# SU Safeguarding Policy

Safeguarding involves protecting the health, well-being, and rights of individuals, particularly children and vulnerable people, by preventing and minimizing harm.

Scripture Union upholds that every person is uniquely created and deserves love and respect.

As an organization, we believe in

1. **Physical safety** through procedures that promote safe practices and prevent abuse.

2. **Emotional safety** by fostering inclusivity, respect, and valuing every individual's opinions.

3. **Recognition of individual differences** in abilities, cultural backgrounds, and faith, ensuring protection from biases and ridicule.

Scripture Union Peninsular Malaysia prioritises child safety and has a policy to reduce risks to children and vulnerable individuals.
