The 30th National SPM Bible Knowledge Challenge 2026

For 30 remarkable years, thousands of young minds across Malaysia have immersed themselves in the Word of God, turning Scripture study into an inspiring journey of personal growth and Christian fellowship. How do we inspire today's students to deepen their faith while mastering their studies?

The annual National SPM Bible Knowledge (BK) Challenge, organised by the Federation of Christian Mission Schools Malaysia (FCMSM) and co-sponsored by Scripture Union, Methodist College KL, and Pristine World, brings the books of Luke and Acts to life. Renamed this year in coordination with the Ministry of Education, the 2026 Challenge provided a dynamic, motivating way for Form 1 to Form 6 students to prepare for their SPM exams while building a strong spiritual foundation.

This milestone 30th year saw extraordinary nationwide participation across three impact-packed stages:

The Online Challenge (9 May 2026): Over 1,500 students tackled 50 multiple-choice questions on Luke 1–15, with high scorers earning prestigious FCMSM e-certificates.

Regional SPM BK Oral Challenge (13 June 2026): 114 two-person teams competed across seven regional centers nationwide (Penang, Melaka, Kuala Lumpur, Kota Kinabalu, Sandakan, Miri, and Kuching).

The National Finals (8 August 2026): Hosted at SMJK Katholik, Petaling Jaya, 33 top regional teams gathered for an unforgettable finale. Highlights included an opening address by His Grace Archbishop Julian Leow, an encouraging recorded message from Deputy Minister of Education YB Wong Kah Woh, and prize presentations celebrating the top 10 winners, including MCKL Scholarship Awards for the top 3 teams and special 30th-anniversary merit medals for all national finalists.

God has been faithful through 30 years of Scripture engagement! Get ready for next year's competition: encourage your secondary students, youth groups, and Christian Fellowships to start studying Luke and Acts today.

Transforming Youth Through Scripture

Bible Knowledge Postal Quiz

How do we raise a generation of youths who are deeply rooted in their faith and passionate about God's Word?

Scripture Union, with the generous sponsorship of the Federation of Christian Mission Schools Malaysia (FCMSM), is proud to host the annual Bible Knowledge (BK) Postal Quiz for secondary school students. This engaging quiz encourages students to establish a consistent, meaningful daily quiet time with the Lord.

Imagine the impact of youths grounded firmly in God's truth:

1. Stronger Discipleship: Students move from passive listening to active, daily engagement with Scripture.
2. Academic & Personal Growth: Participants gain the confidence and foundational knowledge to sit for SPM BK or GCE BK examinations.
3. Lifelong Faith: Beyond exams, students build an enduring love for His Word that lasts a lifetime.

Help us equip the next generation of Christian leaders. Encourage your teenagers, student groups, and youth ministries to sign up for next year's Bible Knowledge Postal Quiz!

Uniting to Empower Malaysia's School Leaders

How can Christian leaders, teachers, and organisations join hands to safeguard and empower the next generation in Malaysian schools?

On 8 June 2026, representatives from **Scripture Union's Central Region** attended the first **National Education Conference (NEC 2026)** for **Malaysian Mission Schools at Wesley Methodist School (WMS) Ipoh**. Organised in partnership with the **Federation of Christian Mission Schools Malaysia (FCMSM)**, **Sabah Interdenominational Education Committee (SiEC)**, and **Teachers' Christian Fellowship (TCF)** around the theme "Strengthening School Leadership," this landmark event brought together education officers, teachers, and ministry leaders nationwide to discuss the future of Malaysian education and school ministry.

Scripture Union was privileged to **host a booth, connecting directly with passionate educators and church leaders across the country**. The conference served as a powerful reminder: running effective School Christian Fellowships and reaching students is a united mission. It takes Christian organisations, local churches, dedicated teachers, and student leaders all working together toward one common goal - bringing the hope of the Gospel and God's Word to young people.

Because the Gospel drives everything we do, we cannot do this work alone. **Will you stand with us in prayer?** Please pray for Scripture Union, for the mission schools across Malaysia, and for every teacher and leader working tirelessly to share God's Word with the next generation.

Connecting with children and teens from across the city

Reconnecting for the Gospel

What happens when a team steps beyond its comfort zone to bring God's love to a new city?

For the first time in years, **Scripture Union's Central Region** headed to **Kuantan** for a multi-church ministry trip. Our goal: build new relationships, support local congregations, and impact young lives for Christ.

Across an action-packed weekend, God opened doors at every step:

Reaching East Malaysian Youth: Visiting a local children's home, our team stepped up to share God's Word in Bahasa Malaysia, connecting with children and teens from across the city.

Equipping the Next Generation: Partnering with Epiphany Anglican Church, we hosted a vibrant youth and children's event featuring worship, games, and a practical workshop helping teens

navigate real-world ethical choices like physical boundaries in dating.

Strengthening Local Ties: On Sunday, team members preached and led Sunday school classes across various local churches, experiencing Kuantan's warm hospitality and rich church cultures firsthand.

Beyond the ministry, this trip **deepened our own team unity** as we served together and explored Kuantan's local food and culture.

This trip was just the beginning. **Pray with us** as we follow up on these new connections and plan future ministry trips to Kuantan. If your church or youth ministry would like to **partner with Scripture Union**, reach out to our team today!

Science and Nature Camp 2026

Inside the Scripture Union Science and Nature Camp

From 4 to 6 June, campers gathered for an inspiring three-day journey at the Science and Nature Camp organised by the Scripture Union Northern Team. Centered on the theme “**IT’S AMAZING! Science and Nature Camp: Designed to Create**”, the event encouraged youth to discover how God’s creation and practical science intertwine.

Anchored in Exodus 31:3, which speaks of being filled with God’s Spirit, wisdom, understanding, and skill, the camp nurtured spiritual inspiration alongside hands-on creativity. Each participant chose one of four specialised tracks to focus on throughout the camp:

- **The Solar Chef:** Campers acted as green engineers, building high-efficiency solar ovens using reflective materials and thermal science to cook real food with sunlight.
- **The AI Architect:** Participants used Google’s Teachable Machine to train artificial intelligence models using their voice, movements, and gestures to create interactive games.
- **The Gantry Master:** Campers wired and programmed Arduino microcontrollers, using

code and servo motors to bring a functional gantry system to life.

- **The Gluten Engineer:** Exploring food chemistry, campers extracted gluten “cables” to test strength and elasticity before baking custom focaccia bread powered by yeast “engines.”

Throughout the sessions, Dr. Khong unpacked how innovation is a divine calling woven into human DNA, grounded in God’s mandate to steward the Earth (Genesis 1:28). He highlighted how creative and technical abilities are Spirit-given gifts designed to turn raw materials into meaningful solutions, reflecting God’s redemptive work in the world (Colossians 1:19-20).

The camp concluded with an exciting showcase where campers presented their completed models to peers, leaders, and families. By connecting Exodus 31:3 with scientific discovery, participants left with greater confidence, stronger teamwork skills, and a deeper appreciation for God’s amazing design.

Methodist Girls' School Primary students discovered that Jesus is their ultimate Friend and Creator

SMK Air Itam Secondary students explored how to anchor their joy in Christ even when facing real-life challenges

Reaching Schools, Transforming Hearts

In a world full of academic pressure, personal struggles, and constant noise, where can students turn to find true joy, lasting friendship, and real purpose?

From June to August 2026, the Scripture Union's Northern Region team stepped into school halls, Christian Fellowships, chapels, and special programmes across the region to meet students right where they are. Through vibrant discussions, interactive games, and creative activities, primary and secondary students explored essential biblical themes including friendship, anger, joy, forgiveness, and God's master plan for their lives.

Every school presented unique opportunities to see the Gospel transform everyday life:

Methodist Girls' School: Primary students discovered that Jesus is their ultimate Friend and Creator, learning how deeply God cares for them through engaging stories and activities.

SMK Air Itam: Secondary students walked through Ephesians 2, contrasting fragile human plans with God's unshakeable plan of salvation. In later sessions, they explored how to anchor their joy in Christ even when facing real-life challenges.

Across every school, warm and welcoming spaces allowed students to open up, share personally, and discover how God's Word directly addresses their daily experiences.

The seeds of God's Word have been planted in the hearts of these young people. Join us in praying for these students: ask God to draw them closer to Him, deepen their love for Scripture, and grant our Northern team continued open doors in schools.

If your school or church fellowship would like to partner with Scripture Union, contact our team today to bring these programmes to your students!

Bahu ke bahu mencari petunjuk!

Syukur kepada Tuhan kerana kami berpeluang mengadakan **Kem Kanak-Kanak** dengan kerjasama **Gereja SIB Kawasan Pekan Kota Belud**, melibatkan beberapa sidang gereja dengan penyertaan seramai **100 orang kanak-kanak**. Semua aktiviti berlangsung dengan baik di bawah pimpinan Tuhan dan kami melihat anak-anak ini memberi tumpuan serta melibatkan diri dengan penuh semangat.

Yang benar-benar menyentuh hati kami ialah ketika sesi rehat, beberapa kanak-kanak datang kepada fasilitator dan bertanya: “Apakah itu sebenarnya maksud bergantung kepada Tuhan?”

Fasi tersebut pun berkongsi dengan bertanya kembali:

“Adakah adik-adik tinggal bersama ibu bapa?”

“Adakah ibu bapa masih memberikan duit poket ke sekolah?”

Mereka menjawab: “Ya.”

Fasi itu bertanya lagi: “Kalau ibu bapa tiada untuk menyediakan semua itu, adakah adik-adik mampu?”

Mereka menjawab: “Tidak, kerana kami masih kecil dan tidak mampu cari duit.”

Inilah gambaran **bergantung kepada Tuhan**. Sama seperti kanak-kanak tidak mampu hidup tanpa ibu bapa, begitu jugalah kita tidak mampu hidup tanpa Tuhan. Bergantung kepada Tuhan bererti meletakkan seluruh keyakinan kita kepada-Nya, sebagaimana anak-anak menyerahkan hidup mereka di bawah jagaan ibu bapa. Namun, Tuhan jauh lebih besar! Dialah yang mampu melakukan segalanya dan sentiasa menolong kita tanpa mengecewakan.

Melihat keinginan mereka dalam benar-benar mencari tahu akan Tuhan menyemarakkan lagi semangat kami untuk melayani Tuhan dimanapun kami pergi.

Kesaksian Volunteer di Sabah

Kami juga diberkati dengan perkongsian daripada para **volunteer yang pertama kali terlibat dalam pelayanan SU di Sabah**. Pengalaman baru ini bukan sahaja menguatkan dirinya, tetapi turut menjadi dorongan bagi seluruh pasukan pelayanan.

Volunteer Atika: “Ini adalah pengalaman pertama saya menyertai kem sebagai sukarelawan bersama SU. Jujurnya, pada mulanya saya berasa agak gementar kerana ada ahli pasukan yang belum saya kenali dan saya juga kurang pasti tentang gambaran sebenar keadaan kem ini.”

Namun di kem inilah saya melihat bagaimana Tuhan bekerja. Pengalaman yang paling luar biasa dalam kem kanak-kanak yang pernah saya sertai adalah ketika kanak-kanak ini datang dan bertanya banyak soalan kepada kami mengenai Yesus Kristus. Saya dapat melihat rasa ingin tahu yang sangat mendalam dalam diri kanak-kanak tentang Tuhan. Ini membuktikan bahawa mereka bukan sekadar datang untuk berseronok tetapi benar-benar ingin belajar tentang Firman Tuhan dan pasti akan membawa pulang sesuatu yang bermakna dalam hidup mereka.

Transform, Impact & Lead (TIL)

Kami sangat bersyukur kepada Tuhan atas setiap peluang yang diberikan untuk melayani sekolah-sekolah di Sabah. Baru-baru ini, kami berkesempatan melaksanakan program sehari iaitu **Transform, Impact, and Lead (TIL)** di sebuah sekolah, di mana pihak sekolah melalui **Unit Bimbingan dan Kaunseling** telah menjemput **Scripture Union** untuk melayani para pelajar mereka.

Dalam program ini, kami berpeluang mendekati pelajar yang menghadapi cabaran kehadiran, disiplin, dan kemurungan. Yang menyentuh hati kami ialah beberapa pelajar yang sebelum ini jarang hadir ke sekolah, turut hadir pada hari program ini dijalankan. Kami melihat bagaimana mereka memberi respon yang positif, menyatakan bahawa mereka disedarkan dan diberi semangat untuk terus hidup mengejar impian mereka sebagai anak Tuhan.

Para guru Kristian di sekolah tersebut juga turut dikuatkan melalui kesaksian dan maklum balas yang diberikan oleh para pelajar. Kami percaya bahawa pelayanan ini bukan sahaja memberi kesan kepada pelajar, tetapi juga menjadi dorongan rohani kepada para guru untuk terus setia dalam panggilan mereka.

Doa kami bersama mereka agar para pelajar di Sabah tetap kuat dalam Tuhan, menjadikan Kristus Yesus sebagai dasar dan kekuatan mereka dalam menghadapi cabaran hidup. Kiranya semangat kekristenan yang hidup di tengah-tengah mereka terus menyalakan harapan, menguatkan iman, dan mendorong mereka untuk menjadi terang bagi rakan-rakan serta komuniti mereka.

Building Connections, Strengthening the Next Generation

Bringing School Christian Fellowships Together in Melaka

What happens when Christian students from different schools gather in one place? They discover they are not alone.

"We hope this will become a regular gathering where students from school Christian Fellowships across Melaka can enjoy fellowship and encourage one another," shared a Teacher Advisor after the recent Melaka Combined Schools' Christian Fellowship (CF) Gathering.

Co-organised by Scripture Union Malaysia and the CF of a mission school, the event

brought together 60 students from 5 schools for ice-breakers, worship, fellowship, food, and encouragement from God's Word. It was a joy for our Central Team to connect with students and teacher advisors, while volunteers from churches across Melaka faithfully served throughout the day. At the same time, another team ministered to the CF of an all-girls' school through games and a Bible message.

Please pray that these growing connections will strengthen school CFs and encourage many more students to stand firm in their faith.

Growing Gospel Partnerships in Johor Bahru

Four churches. One weekend. Countless opportunities to proclaim God's Word.

During a recent ministry trip to Johor Bahru, God opened doors for Scripture Union Malaysia to strengthen existing church partnerships while fostering new relationships for future ministry.

Over the weekend, we spoke at a Children and Youth Saturday Service, shared at Youth Fellowship meetings, ministered in a Tamil-speaking Anglican church, and preached at two Sunday worship services. Every visit encouraged believers, proclaimed God's Word, and opened

conversations about equipping the next generation to follow Christ.

We are thankful to see growing opportunities for collaboration with churches across the Southern Region. As these partnerships deepen, we trust God will continue to expand His work through His people.

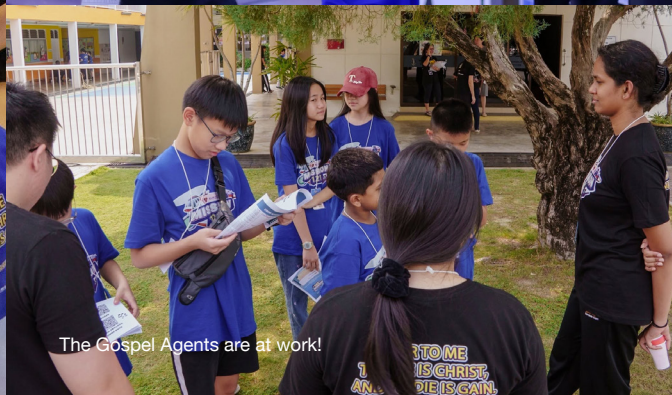

Please pray that God will raise up a staff worker to be based in the Southern Region to nurture these partnerships and faithfully build on the ministry He has already begun.

SUPA Camp: Raising the Next Generation of Gospel Agents

Imagine children navigating life's ups and downs with rock-solid faith. This year, Scripture Union Peninsular Malaysia did exactly that through its Scripture Union Primary-Age (SUPA) Camp. Across three regions, primary-school students gathered to discover how to live out a massive calling: Mission 121.

Rooted deeply in Philippians 1:21 ("For to me, to live is Christ..."), the powerful theme invited campers to become active Gospel agents. Through engaging Bible lessons, high-energy games, and interactive squads, children learned what it truly means to put Jesus above everything else through life's greatest joys and challenges. The camp's regional reach brought this life-changing message straight to local communities:

- **SUPA Central (Rawang):** Hosted a bustling crowd of 80 children for 4 days 3 nights, supported by 29 dedicated mentors.
- **SUPA Southern (Johor Bahru):** Welcomed 70 children over 2 days of day-camp, bonded closely alongside 29 passionate leaders.

- **SUPA Northern (Sitiawan):** Concluded a 3-day, 2-night high-impact camp for 42 children and 22 committed facilitators.

Every child left with more than just a camp T-shirt; they returned home with deep friendships, unforgettable memories, and a personal encounter with God. By witnessing the selflessness of **80 combined volunteers and staff**, these 192 campers experienced a living example of faith in action. Parents and churches are seeing young hearts set on fire, ready to stand firm in their faith and impact their peers for Christ.

Don't let the next generation miss out on this faith-building adventure!
